

IPA Cross-Border Programme CCI No: 2007CB16IPO008

PRESS ANNOUNCEMENT

PROJECTS WITHOUT BORDERS

The second work meeting of the Project: “Towards the opportunities and CHALLENGES OF Sustainable Cross-Border TOURISM”, № 2007CB16IPO008-2013-3-069 and contract № РД 02-029-183/18.06.2015, financed on the third call for proposals of Bulgaria – Turkey Cross-Border Programme, co-financed by the Instrument for Pre-accession Assistance was held in Uzunköprü on 11 and 12 December 2015.

The project that started on 19.06.2015, is implemented by Haskovo Chamber of Commerce and Industry in partnership with Uzunköprü Chamber of Commerce and Industry, Republic of Turkey, and its duration is 12 months.

The meeting was open by Ercan İhtiyar, President of Uzunköprü Chamber of Commerce and Industry. The participants in the meeting were Mr. Yancho Yanev, President of MB of HCCI and the team members from the two chambers. They discussed the progress of the project, the realization of the activities and the achieved results during the first trimester. The first monitoring visit by the Joint Technical Secretariat expert in the office of HCCI was also discussed. The participants discussed their duties, related to the request for first level control for verifying the expenditures from the first six months. The representatives of HCCI informed the other participants about the progress of the realization of the Preliminary research of local natural and cultural heritage and its valorization for the development of new cross-border tourist products. The meeting was closed by distributing the tasks, related with the realization of the upcoming activities, in accordance with the Action plan.
